Work Phone: _____ Cell Phone: _____ Email: _____

_____ **Employability Skills Panel** - Discuss the qualities and skills that you are looking for when hiring new employees.

_____ **Mock Interviews** - Interview a small group of students and provide feedback on their cover letter, resume, and interviewing skills.

_____ **Host a Table at High School Career Fair** - Engage with our students to advertise work based learning opportunities, summer employment and current job openings.

_____ **Classroom Guest Speaker** - Bring real-world application to the classroom on a one-time or recurring basis.

_____ **Project Based Learning & Curriculum Advice** - Bring real-world problems into the classroom; recommend Industry Certifications; help edit curriculum to meet industry standards.

_____ **Career-Focused Field Trips and Industry Tours** - Promote your Career Field and allow students to see your industry up close in 1/2 day or full-day tours.

_____ **Job Shadow** - Allow students to complete a job shadowing day in your organization. Your employees possess a wealth of knowledge to share with future employees.

_____ **Student Internship** - Select students to participate in an internship within your business or industry.

_____ **Advisory Committee Members** - Meet a maximum of 2 times per year with other Academy/Pathway Partners, teachers, and building leadership to provide industry guidance to the program.

_____ **Sponsorships** - Sponsor student participation in [SkillsUSA](#), [National Technical Society](#) or other [Career and Technical Student Organizations \(CTSO\)](#).

_____ **Donations** - Every single program we offer has an expansive hands-on lab component. We appreciate assistance with supplies, materials, and equipment.
